Access our peer-reviewed content in the way that best meets the demands of your researchers and the constraints of your budget.

**Subscribe to single titles** – see editorial information about our journals at [www.multi-science.co.uk/ms-journals.htm](http://www.multi-science.co.uk/ms-journals.htm) Click on titles you are interested in for full information. Specimen copies, tables of contents and abstracts are at [http://multi-science.metapress.com](http://multi-science.metapress.com)

**Or subscribe to subject themed ‘mini-packages’** to get a wealth of research at a substantial discount. We offer themed packages in Architecture-construction, Energy-Environment, Acoustics-noise, and Aerospace Engineering.

See [www.multi-science.co.uk/on-line_offer.htm](http://www.multi-science.co.uk/on-line_offer.htm)

**Create your own bespoke package**, choosing those most relevant to you from our whole list, minimum 5 titles, again at a significant discount.

See [www.multi-science.co.uk/on-line_offer.htm](http://www.multi-science.co.uk/on-line_offer.htm)

**Take our Special 2014 collection** of 27 peer reviewed journals, in cutting edge areas of engineering and interdisciplinary research, at 60% discount to list price.

See [www.multi-science.co.uk/on-line_offer.htm](http://www.multi-science.co.uk/on-line_offer.htm) (Coming soon: updated, expanded offer for 2013)

**Don’t subscribe!** Pay only for usage instead. We’re pioneering a move away from the high costs and inflexibility of subscriptions. If you want to explore the possibilities of pay only for usage for your library, contact Bill Hughes [bill@multi-science.co.uk](mailto:bill@multi-science.co.uk)
